

# Swiss Alpine Dream & Panoramic Rail

Switzerland | 7 days / 6 nights | From AED 5,499 per person

---

Fly out of Dubai into a week that trades desert horizons for glacier peaks and lakeside villages. This is a gently paced journey built around Switzerland's rail network, so there is no self-driving and very little waiting around, just panoramic windows, cable cars and postcard towns strung together with ease. It suits couples on a honeymoon, families wanting a first taste of snow, and anyone who prefers scenery to sightseeing checklists. Days open with breakfast by a lake and close with sunset over the Alps, punctuated by two headline excursions, Jungfrauoch and Mount Titlis.
